

# Transition US National Gathering: Growing a Movement for Resilient Communities

## Broadening, Deepening and Scaling Up

**July 27–30** Macalester College, St. Paul, MN

### Choose from 40+ workshops

- **Deep Resilience:** Tap into your inner resilience to foster a stronger community
- **Effective Groups:** Strategies to help your Transition Town, green team or sustainability group kick into high gear
- **Growing a Local Food and Clean Energy Movement:** Success stories around the nation
- **From Meetings to Movement:** Creating alliances to get beyond the choir
- **Permaculture:** Tools and skills to redesign current ways of living towards resilience, and flourishing
- **Regenerative Economy:** Build it local, sustainable and equitable

### Who should come?

Anyone who is working for:

- access to healthy food
- renewable energy & jobs
- a strong local economy
- clean water & air
- local control over local conditions
- climate justice
- and more

## Inspiring keynote speakers and movie

**Richard Heinberg,**  
Post Carbon Institute—Transition in the Age of Denial

**Phyllis Young—**  
Standing Rock Today: Decolonization and Shifting Out of the Fossil Fuel Mindset

**Rob Hopkins,**  
Transition founder—Transition at 10 Years: Lessons, Insights, Disappointments, Exhilarations and Delights

Film screening  
**Thursday, July 27**
